# In Memoriam

**Katherine S. Grant**

**In August of 2013, Katherine lost her courageous three-year battle with a rare pediatric brain cancer, but her spirit lives on in *everyone* she touched. In her 21 years, Katherine impacted more people than most do in a lifetime with her unique combination of kindness, honesty, honor, and heart.**

**If she were here today, Katherine's message to graduating seniors would be:**

***It's the relationships in life that are important - the laughs, the stories, the smiles... especially the laughs. As you prepare for your future, always treasure your relationships.***

# Dedication

## Mr. Sapienza

An educator for 41 years, Mr. Sapienza came to PVMHS in 1973 where he served as a Math and Computer Science teacher until he became Assistant Principal in 2005. Motivating students with his football analogies and rousing "Let's get it on!" speeches, Mr. Sapienza served as our principal until his retirement at the end of our junior year. We dedicate this yearbook to Mr. Sapienza for his lifetime of service in educating generations of PVMHS students.

# Principal's Message

To the Class of 2014:

Congratulations! You have come to the end of your high school career as a student in the Peabody Public Schools. I have enjoyed watching you grow over the past four years. Your parents, teachers, and friends have played important roles in you developing into young adults. My hope is that you have acquired a solid education and a set of core values at Peabody Veterans Memorial High School, which has prepared you to succeed in your future endeavors. I wish you good luck and look forward to hearing from you in the years to come. I hope you will always be proud to be a Tanner.

Sincerely,
